Readiness for the reception of a sacrament is more than the age/class level of the child. Parents, staff and the child share discernment of readiness. The pastor will be consulted if postponement of a child's reception of a Sacrament is deemed advisable.

Confirmation is a Sacrament of Initiation and is therefore a beginning and not an end to religious education. It is expected that parents continue to enroll their children in religious education classes after they have been confirmed. This will help them as they mature in their teen years and into young adulthood, to continue to be guided in the understanding and practice of their faith.
