

Father Chuck's Challenge

Helping the poorest of the poor in Haiti

No one should have to live like this please help restore their dignity

October 14-15, 2017

Father Charles Kennedy will be here to talk about what our help means for the people of Haiti

Second collection at all Masses on **October 14-15** will be for Father Chuck's Challenge – please be as generous as possible

St. Mary's "CHALLENGE" for 2017

Father Chuck's Challenge is going back to Fr. Pfeiffer' Village in Bossan (30 mi west of Port-au-Prince) to build approximately 25 additional homes.

Double-unit homes with water and sanitation	\$7,200 ea
Solar light kits	\$ 125 ea

Thank you, St. Mary's, for your generous support for the "poorest of the poor".

Because of your past contributions we were able to supply St. Mary's fishing village with four fiber glass motor boats and equipment, solar lighting, as well as 57 homes with sanitation and water collection.

In 2016, we helped to create a wholesome community in the Village of Cupelier through secure housing with solar lighting, sanitation, water storage facilities, agricultural and animal husbandry initiatives.

Village of Cupelier
