

Thank you

FROM OUR PASTOR

Dear Parishioners and Guests,

Thank you very much for attending our Mardi Gras Night at the Races and Casino. I hope and pray you had a wonderful and fun evening with family, friends and fellow parishioners. Your presence and support means so much to me and our parish school community. We are blessed by your presence.

Saint Mary Roman Catholic Church is graced to have a Parish School providing both a Pre-School Division (Agnus Dei Academy) and an Elementary School Division with an enrollment exceeding over 255 children. Founded in 1961; our mission remains the same today as it did in the days of our humble beginnings for our students: **Learning Today; Leading Tomorrow.**

I am grateful to the entire Mardi Gras committee especially to our Co-Chairs Corinne and Matt Dougherty. I am thankful to the countless volunteers who have given their time, talent and treasure in making this a fun event. They have all worked very hard; giving of themselves for the good of Catholic Education, for the good of our children.

To you, our parishioners, friends and supporters, I thank God for your love and endless support of everything we do here at Saint Mary; especially for this event. You will be remembered in my prayers. May God, through the intercession of our Blessed Mother, bless and guide you now and always.

Love and prayers,

Rev. Fr. Louis P. Bellopede
